

SCREEN PRINTED TEA TOWEL PRICE LIST JULY 2021

Our UK manufactured screen-printed tea towels are made from high quality 100% premium cotton, generously sized at 48 x 78cm. Standard print area is 42cm x 72cm which gives a white border of approximately 4 cm all round. Full bleed is also an option. Available in pure white or natural unbleached, hemmed on the two long edges. The short edges are the selvedge edge of the fabric and don't require hemming. They can however be hemmed on all 4 sides at additional cost if required.

All prices are quoted subject to sight of artwork.

Prices include screen/set-up charges and are exclusive of VAT and delivery cost which is £10 per carton to any UK mainland address and £20 per carton to offshore islands and Scottish Highlands. A carton can hold up to 250 tea towels. We deliver World-wide so please ask for a quotation to deliver to any specific country.

We supply a PDF visual for approval prior to production. Samples to show our quality are available free of charge. Prices are per design and cannot be combined.

Full bleed, high ink coverage and half tones will incur a surcharge. Please see Additional Services below.
